BROAD
MEDICAL GROUP

Broad Medical Group Inc Jennifer Broad MD

Welcome to Our Office

Dr. Broad is dedicated to the care of women in the specialty of Obstetrics, Gynecology, & Infertility. She is committed to providing you with the highest quality up-to-date healthcare using the latest technology in a friendly caring environment. She possesses an open minded philosophy to women's care and sexual health. As an adherent to the philosophies taught to her at the World Famous Loma Linda University, she takes a whole-person approach to health. She will address issues that impact the mind, body, and spirit as a way to for the individual to achieve their health goals and live the best life possible.

Obstetric Care

Dr. Broad is specialized in providing comprehensive obstetric care, which includes prenatal, delivery, and postpartum treatment. At Loma Linda, she gained extensive training in high risk complicated pregnancies in addition to healthy lower risk pregnancies. As a mother herself, Dr. Broad is very sensitive to the fact that pregnancy is both an exciting time in a woman's life but it is also a time of variable change and numerous questions arise. She strongly believes that a well informed patient is critical to prenatal care and loves to empower mothers to be involved in the process. The birth of a baby is momentous and special for each family and Dr. Broad makes every effort to be present at the delivery of each baby.

Gynecology

Dr. Broad provides comprehensive gynecologic care including annual examination, evaluation and management of pelvic pain, abnormal bleeding and all other gynecological disorders. She utilizes many modalities to address these gynecological concerns, including conservative medical treatment and minimally invasive surgery that shortens hospital stays and hastens the recuperation period.

Infertility

Having dealt with infertility issues herself, Dr. Broad has a keen interest in the evaluation of infertile couples. She has extensive experience with all aspects of infertility from a personal and professional perspective.

About Dr. Jennifer Broad

Dr. Jennifer Broad was born and raised in Southern California. She received her Bachelor of Science in Chemistry from University of California Irvine, where she graduated in the top 10% of her class. Prior to medical school, Dr. Broad worked at the Whitaker Wellness Institute of Newport Beach (one of the first alternative medicine clinics) in order to learn about integrative medicine. Dr. Broad went on to get her medical degree and residency training at the world renowned Loma Linda University Medical School and Hospital. Upon graduation, she had the honor of being asked to stay on as a physician and professor of Obstetrics & Gynecology.

Dr. Broad is a board certified Obstetrician and Gynecologist. Dr. Broad has extensive training in Obstetrics/High risk Obstetrics, Gynecology, Infertility, Laparoscopic surgery, Gynecologic Urology, Pelvic Pain, Bleeding Disorders, PMS, and Menopausal disorders. Since 2004, Dr. Broad has been part of the Loma Linda University Health system as a student, resident, doctor, professor, and surgeon. She has had extensive experience with both healthy and complex OB & GYN cases. In 2019, she joined up with her longtime mentor and personal OBGYN Dr. Alex Deyan to work side by side and continue to build on the success of the practice he started in Newport Beach, California.

Dr. Broad is currently on the medical staff at Hoag Hospital and is also privileged with the Newport Beach Surgery Center. She and the team at Broad Medical Group have a collective of over 100 years of combined experience working in the Healthcare field for the benefit of our patients. We are 100% committed to the health and total wellness of the women's mind, body and spirit.

Dr. Broad enjoys spending time with her husband, Jonathan, and their collective of children. Also, she enjoys working out, cooking, and spending time with her loved ones. Dr. Broad's main passion is helping women with their overall wellness and sexual health needs. She is passionate about whole person holistic care for the mind, body, & soul.
